

California Association for Health, Physical Education, Recreation and Dance

“Promoting Active, Healthy Lifestyles”

<https://www.cahperd.org>

Our Mission

To promote healthful lifestyles through quality education for all populations and provide leadership to school, community, and statewide programs in the areas of health, physical education, recreation, dance, and other movement-related programs. CAHPERD is an educational organization which will achieve its mission by supporting, encouraging, and helping members statewide, as they initiate, develop, conduct, and promote programs of health, physical education, recreation, dance, and other movement-related programs.

Membership Benefits

- Reduced registration fees for conferences and other professional development.
- Special discounts for CAHPERD vendors and services.
- Membership includes access to all our publications including e-Journal, e-Newsletter, and informational updates.
- Most importantly you will be able to have a voice in legislative and policy to answer alerts that need immediate action.

Legislative Advocate and Lobbyist

- Your membership helps CAHPERD to retain a Sacramento-based legislative advocate to monitor legislative activity that could affect related professions. Advocate will maintain records of legislative bills that CAHPERD supports, opposes, or keeps watch on.
- CAHPERD’s Legislative Committee provides subject matter support for health, physical education, recreation, dance and athletics to the California Commission on Teacher Credentialing (CCTC), California Department of Education (CDE), and State Board of Education (SBE).

Professional Development and Promotion

- You have discounted access to Health Education, Physical Education, Adapted Physical Education, Dance and other movement related regional workshops.
- Discounts to the CAHPERD State Conference, National Adapted Physical Education Conference.
- Collaborations with California universities, national organizations such as Society of Health and Physical Educators (SHAPE America).
- Recognition through CAHPERD awards, Teacher of the Year, and student scholarships

CAHPERD Membership

If you believe in the importance of your profession to the education of the whole child, the need to support and engage future professionals, the need to keep informing legislators and administrators of the value of our professions in health, physical education, recreation, and dance, and if you want a variety of professional development opportunities that will provide for continued learning, then join the California Association for Health, Physical Education, Recreation, and Dance!

The only professional organization in California devoted to the educational content areas of health, physical education, recreation and dance.
